

Shintaro Dual Gas Spring Monitor

Shintaro's Dual Swivel Gas Monitor Arm is the perfect for your office setup solution. It can be rotated at 360 degrees with further swivel of 180 degrees for maximum customisation.

A ready cable management system allows you to tuck all those pesky cables away and adjustable Gas Springs allow you to perfectly balance your monitors. Installation includes the options for a Hole Bolt Clamp or the use of the C-clamp.

Think Office Solutions. Think Shintaro.
