

Full Motion Wall Mount

AD-WM-9080

Mount a large and/or heavy display on a wall. This unit provides extreme freedom of motion with a long extension arm, plus pan, tilt, and rotation of the display.

Full motion wall mounts suit commercial collaboration environments, presentation areas, and team workspaces.

Flexible & Adaptive wall mounting

Materials

Constructed in steel for robust durability

Confidence

Multiple wall mounting holes are available, including to suit 24" pattern stud walls

50" - 100"
(guidance only)

100 x 100
800 x 600

90kg
(200lb)

Heavy-duty

AD-WM-9080 is reinforced for large, heavy displays and extreme arm extension

Extreme arm reach

AD-WM-9080 extends to 980mm (39") from the wall. Minimum distance to wall is 100mm (4").

Universal

Flexible VESA and universal mounting hole pattern to suit virtually all displays within the weight capacity

Adaptive to you

Extensive adjustments for ideal display position:

- Display pan +/- 90°
- Display tilt +5° to -10°
- Rotation +/- 5°

Available in black

10 Year Warranty

Flexible & Adaptive wall mounting

Full motion wall mount for large and/or heavy displays

Fully extended

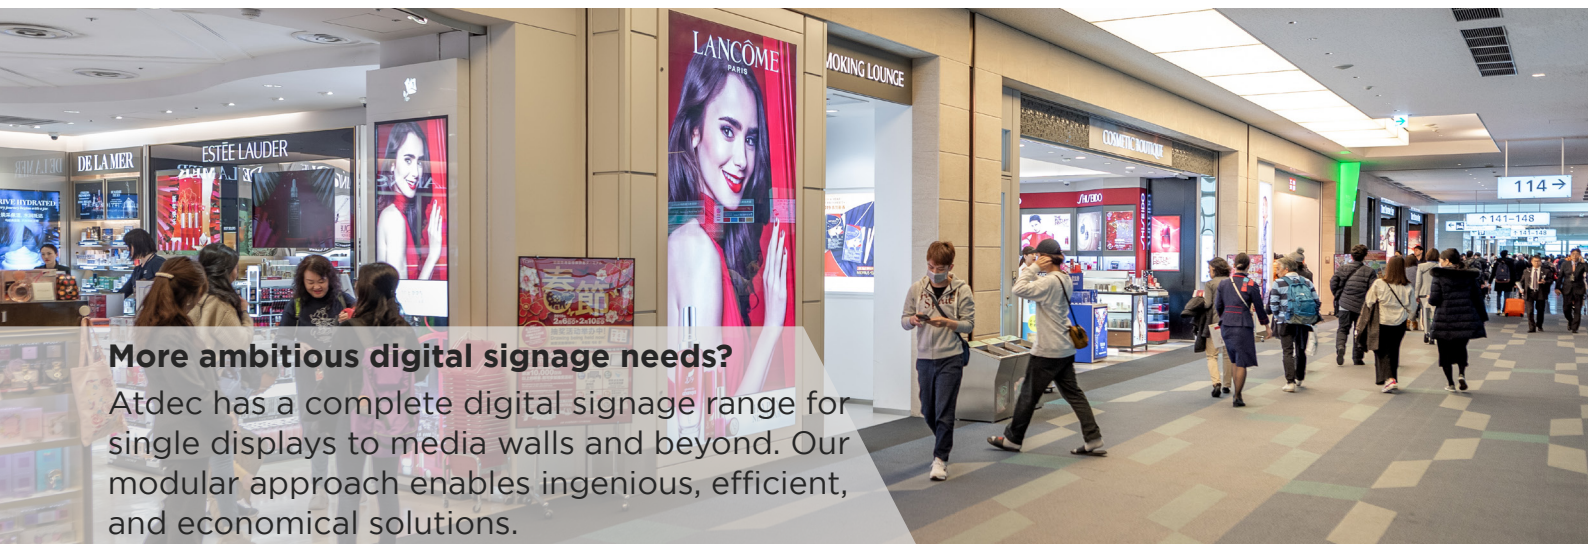

Fully retracted

Ordering guide

Atdec Code	Description	Display weight	Display size	Max. extension
AD-WM-9080	Full Motion	90kg (200lbs)	50" - 100" <i>[guidance only]</i>	980mm (39")

Curved displays, deep devices, VESA mounted accessories (such as mini PC brackets and mounts), and offset VESA locations exert additional leverage that can exceed the capacity of the mount even though the display weight may be within the stated range. Please contact Atdec if you would like further information.

More ambitious digital signage needs?

Atdec has a complete digital signage range for single displays to media walls and beyond. Our modular approach enables ingenious, efficient, and economical solutions.

Atdec Uncover™ is where our infinite mounting possibilities become your specific mounting solutions.
