AUX Rugged Kids Headset

Built for comfort and durability

Shintaro Rugged brings excitement to learning with a perfect blend of durability, comfort, and immersive sound, making it ideal for both classrooms and remote learning environments. Designed for students, these headphones offer highquality audio, enhancing focus and engagement during school hours, whether they're listening to lessons or enjoying music. The adjustable headset ensures a customized fit for maximum comfort throughout the day, while the twistable, break-resistant headband provides long-lasting durability to withstand everyday use. Equipped with a 3.5mm AUX jack, a 1.5M lead, and a boom microphone for clear communication, Shintaro Rugged is versatile and easy to use across a wide range of devices. The powerful 40mm driver delivers crisp, clear sound, making these headphones the ultimate tool for interactive learning. With Shintaro Rugged, learning becomes more fun, engaging, and productive!

Twistable Headband
