

Maxifi Bluetooth Headset with Mic

Seamless Communication and High-Fidelity Audio

The Shintaro wireless headset is a versatile solution for contact centres, compatible with desk phones, mobiles and laptops. Easy to pair with Bluetooth using the pairing mode, this headset has a mute feature on it's dock to toggle this function on and off. The charging dock has a ringtone function to alert you in incoming calls from the PC so you will not miss your important calls.

- Wireless Bluetooth
- 40 Hours talk time
- Charging doc
