HP PROBOOK 4 G1A AND G1I 14
PART NUMBER: AO-SNP-HP445G11
MSRP: \$49.95

Providing Drop and Shock Protection

The Rugged Snap-On Case for the HP ProBook 4 G1a and G1i 14" delivers lightweight, always-on protection tailored for the demands of both educational and professional environments. Engineered for a precise fit, this durable case minimizes device damage, downtime, and total cost of ownership. The tough polycarbonate hardshell defends against everyday scratches and wear, while maintaining access to all ports and functions. Clear panels ensure visibility of asset tags and device details, making it ideal for fleet management. Whether in the classroom or the workplace, this case helps extend the life of your device without compromising performance.

Reinforced TPU Corners

Always accessible ports

Key Features

- MIL-STD-810H drop-tested
- Perfectly aligned top and bottom shells for balanced drop force distribution and enhanced hinge protection
- Clear polycarbonate allows asset tag visibility and scanning.
- Full access to ports, buttons, and cameras
- Ventilation for heat dissipation
- Non-slip corners prevent device from sliding.
