

# Blazer Dual Display Docking Station

*Expand Your Connectivity and Productivity*

The Shintaro Blazer USB 3.0 USB-A/USB-C Dual Display Docking Station is designed to meet your extra connectivity demands.

With this docking station, you can extend the connection of a computer to more USB peripherals, Ethernet network, speakers, and microphones through a single USB cable. Using the USB B-to-A/C cable, the docking station enables you to connect laptops with either USB Type-A or USB Type-C ports.

Increase productivity by extending your screen to multiple monitors, supporting resolutions up to dual 1080p@60Hz with dual HDMI output. Compatible with USB 3.0/2.0 devices, it features 4 x USB 2.0 inputs, 2 x USB 3.1 inputs, USB upstream/host, gigabit Ethernet (10/100/1000), and 2.1 channel audio.
