Laptop Stand with Detachable USB-C Hub (D1109B)

360 Rotating Base, Tilt Design. Supports up to 15.6" Notebook

Description: This UNITEK laptop USB-C docking station combines the functions of the laptop dock and laptop stand. Adopting the Magnetic technology, it features a detachable USB-C hub (located at bottom of the stand) which can use on the go.

Product Features:

- **4K HDMI UHD Visual Feast:** This Laptop Docking Station can extend a single 4K@30Hz (3840x2160@30Hz) display via the HDMI port which is perfect for those who need to deal with ultra HD image and video output tasks. This USB C dock is plug-and-play, with no need for any driver.

- **Perfect to use in office/ at home/ anywhere in between:** UNITEK Laptop stand (D1109B) is compact and space-saving which is perfect for users who travel. It also features a detachable USB-C Hub which is convenient to use on-the-go.

- **360° Rotation:** Featuring a 360-degree swivel radius and tilt design, UNITEK Laptop stand allows infinite view angles while laptop stays securely intact on stand.

- **Ergonomic Design:** Users can easily raise the screen to proper ergonomic height, which can help to fix your posture and reduce back and neck stiffness.

- **100W PD Charging & Data Transfer:** It features 2 USB 5Gbps ports that support data transfer up to 5Gbps and a USB-C port with power delivery up to 100W.

- **High-Speed & Stable Ethernet:** This UNITEK Laptop docking station features an RJ-45 Ethernet port that adapts to 10Mbps/ 100Mbps network transmission.
