

Shintaro 16 Bay USB-C Charging Cabinet

The Shintaro USB-C Charging Cabinet is a secure, high-powered solution for classrooms, offices, and shared spaces. With 16 USB-C PD ports delivering 1000W, it charges up to 10 notebooks at 100W or 16 devices at 60W.

Its durable metal housing comes pre-assembled with easy installation for optional cable hook and charging fin accessories. It features rounded corners for safety and a number combination lock for security. The 'InnovateCharger App' enables smart power management. Compatible with iPads, iPhones, Android tablets, laptops, and Chromebooks, it provides a centralised, clutter-free charging station.
