NOTE: Charging outside of temp range may result in temporary stoppage of charging.
- Agency Approval: IEC 60950-1, CB
- Tested to MIL-STD-810G certification

Keep your Dell Latitude Rugged Batteries fully charged with the Lind Electronics Modular Multi Bay Charger. Charge up to 16 batteries per charger with interchangeable battery bays for the Dell Latitude Rugged line of notebook and tablet computers. Lind battery chargers incorporate the highest degree of circuit protection to ensure your Dell batteries are charged properly.

The Lind Electronics 5420, 5424 and 7424 Charging Bay (DECHCB-5022) works in conjunction with the Lind Electronics Master Controller (DECHMC-5021)\* and a Dell AC Power Adapter\*. The size of the Dell power adapter will determine how many bays may charge at the same time.  
NOTE: See Product Manual or Master Controller information for Battery Charging Chart.
