

# Multi Port USB-C & USB-A Charger/Dock

The Shintaro GaN Desktop Charger is a powerful charging solution designed to sit conveniently on your desk, offering easy access to 5 USB-C and 5 USB-A ports for all your charging needs. Whether you're powering up smartphones, tablets, laptops, or other devices, this versatile charger delivers fast and efficient performance.

Equipped with advanced GaN technology, it provides high wattage while maintaining a compact form, ensuring quick and reliable charging without overheating. The Intelligent Power Sharing feature optimizes power distribution, ensuring each device receives the most efficient charge possible. With the Shintaro GaN Charger, you can streamline your workspace and keep all your essential devices powered up effortlessly.
