

# Shintaro 65W Dual GaN USB Wall Charger

The Shintaro USB-C Charge Cable (1m) is designed to deliver exceptional performance, reliability, and durability for all your charging and data transfer needs. With a robust aluminum head and a premium braided nylon outer jacket, supporting up to 100W (20V/5A) of power delivery, this cable is ideal for fast-charging laptops, tablets, and smartphones, making it an essential accessory for both personal and professional use. With data transfer speeds of up to 480Mbps, its black braided design not only enhances durability but also adds a stylish touch to your tech setup. Whether you're at home, in the office, or on the go, the Shintaro USB-C Charge Cable provides the perfect combination of functionality and reliability to keep your devices powered and connected.
